

## Scholarship Money for New Horizons New Directions Preparatory Academy

*Would you help us get money from the state of Georgia for our students and our school?*

*It only takes a few minutes, and it doesn't cost you anything!*

Would you go to [georgiasso.com](http://georgiasso.com) and pledge to New Horizons New Directions  
and then **spread the word** for us?

The Georgia Student Scholarship Organization (GaSSO) is a tuition tax credit program for private schools and their families. Essentially, this is free money from our state government for our school to provide scholarships to our families.

Yes, 100% of the money you donate comes back to you in your taxes! All of it! This is not a contribution to a governmental fund where you do not know where your financial contribution might be felt. You can be 100% assured that your money will be making a difference for a family within the walls of New Horizons New Directions.

When you participate in the GaSSO program, NHND will be able to provide scholarships. This is a critical piece in the process of making NHND into something bigger and better than we all can imagine and reaching students that can benefit from our environment.

*What is the **maximum amount someone can donate** to Georgia SSO in exchange for a Georgia education expense tax credit?*

- Individual: \$2,500
- Married Filing Joint: \$5,000
- Married Filing Separately: \$2,500
- Individuals who receive pass-through income can contribute up to \$25,000 or up to 75% of GA tax liability (See flyer on homepage for details)
- C-Corporation: Up to 75% of GA tax liability

Please visit [georgiaSSO.com](http://georgiaSSO.com) to make your pledge to NHND today  
*before the deadline expires.*

Tell your friends, family and businesses you support that they can help too!

*Tip: make sure your name on your entry matches the name the IRS has on file for you*
